A Thought from our Chapter Directors

.

As we are writing this article, many Chapter M members are preparing for the journey to Knoxville Wing Ding.

The first week of July will be spent with friends, touring the mountain roads, sightseeing etc. RIDE SAFE!

The only local activity scheduled for the first 2 weeks of July is the annual July 4th celebration at the Maderia Beach American Legion Hall.

Meet there around 4pm to eat, visit and then prepare for the fireworks later in the evening.

Remember, it gets crowded so please arrive early.

If you plan to attend, please contact Pete and Evona Pawlik at 727 517-3552

They will be in charge of this activity while we are attending Wing Ding.

Starting the week of July 10th, Buzz and Betty will direct the Chapter during our absence. Please contact them with any concerns or issues within the Chapter.

We will return home for a few days around July 17th but leave again July 22nd for the remainder of July.

June was an exciting month with 2 new kicktire locations, the Dade City car show, game night/pool party, Quaker Steak/Lube and Barney's Recruitment. We had 4 people

(Tracy, Buzz, Don and Tina) attend the Leadership Training Instructor course in June. They will become certified on August 7th at our next Chapter Training Session. Please plan to attend.

We had 4 Chapter Training Seminars in June followed by a potluck dinner. It was well attended and we appreciate everyone's commitment to the Chapter Education program.

We would like to welcome our new Chapter M members...Michael Jenkins (grandson of Linda O'Rourke) and Mario/Linda Viera.

When you see them, please make them feel at home in our Chapter family.

Please plan on attending the next General Gathering because the Meeting lotto has rolled over 3 times and the Ride lotto has rolled over once so the amounts are large.

YOU MUST BE PRESENT TO WIN.

Tracy and Sharon

FROM OUR ASSISTANT CHAPTER DIRECTORS

June 2011

Summer in Florida is really different from the more temperate climates north ~A little less riding than we might like! However, we do a lot of training courses and indoor activities, evening kick tires and so forth. Just remember, fall is just around the corner and our serious riding begins again!

A large FL1M group are participating in the Wing Ding in Knoxville.

Although Betty and I are unable to attend due to our granddaughter's wedding, we are looking forward to the opportunity next year! Have fun all and bring back lots of stories and pictures!

Until July,

Buzz and Betty

What is a Team?

In the past few weeks we have heard about Co-riders from a Rider's perspective and then about Riders from a Co-rider's perspective (although one was a ringer). These were both given in fun and I think we all had a good laugh about this, but what it did bring to my mind was about team riding.

We have discussed team riding previously, but it was always about more than one motorcycle riding together. A dictionary definition of a team is two or individuals who work together for a common goal. Does this not also pertain to a rider and co-rider on the same motorcycle? When we ride together do we both not want to have the maximum amount of fun we can have and also to do this safely?

As we have mentioned in the past Kathy & I have been riding together for over 43 years now. During this time we have developed our own ways of conveying information and a lot of this was non-verbal as our first bikes did not have intercoms. I usually get a squeeze along the sides when the speed is exceeding what she considers safe, along with a verbal announcement of this today.

What is the most important is the information she broadcasts about possible hazards, cars or objects that may impact us. I used to tell her that I already saw this, but decided later that this was counterproductive because eventually she might quit proclaiming these and I might not have seen it. Now all I do is say "thank you" even if I had seen it and decided on a course of action to take as an evasive maneuver.

If we think back to what was said about the co-riders and riders there is probably some truth in the "rules". Most of us are aware of the rule that if the co-rider isn't happy, then no one is happy. This will also hold true for the rider, if they are not happy the co-riders enjoyment will be lessened, partly because of the mood, but possibly because the rider may not be riding as safely as normal. The weather in Florida is always a big factor in riding enjoyment, it seems it is either too hot or too cold, and of course we cannot forget our rains!

I would like to see all of us ride as a team, both as multiple motorcycles and also as a rider/co-rider team on one bike. Remember we can be a team within a team while riding 2-up.

Ron & Kathy Jackson, Sr. Chapter Educators

TEE SHIRT CONTEST

I decided to write an article about the contest to help you with your entry or entries. It is our hope that we get a lot of entries from the Chapter. The more entries we get, the more we have to choose from.

The most important thing to watch for is not use something that is protected by copyrights.

The internet is a good source to get ideas to enter. I have googled Thanksgiving and found ton of images to look at and consider. I even thought of using parts of some images with others that I liked.

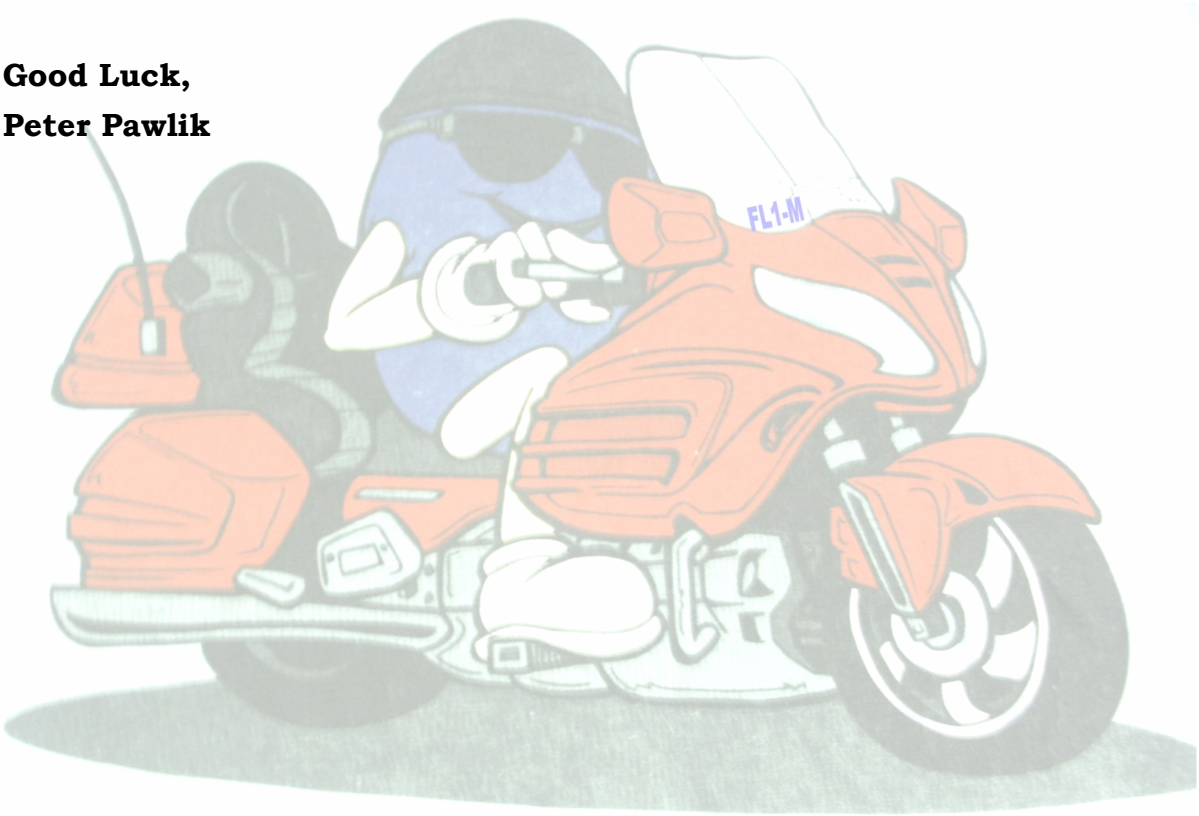
There are a few things to keep in mind when creating your entry. The winning design will be printed on a light blue T-Shirt. Be sure that the colors in your design stand out and don't clash.

We announced this shirt theme to be for Halloween/Thanksgiving. Our thoughts were that this shirt could be worn for both holidays. This way we can wear it throughout the fall season.

Make sure your entry includes both a pumpkin and a turkey for these holidays.

Good Luck,

Peter Pawlik



The Rider's Rules

1. The **Rider** always makes **The Rules**.
2. The **Rules** are subject to change without notice.
3. The **co-rider** cannot possibly know all **The Rules**.
4. If the **Rider** suspects that the **co-rider** has learned **The Rules**, then he must immediately change some or all of **The Rules**.
5. The **Rider** is never wrong.
6. If the **Rider** decides he is wrong, **the co-rider** must acknowledge that it was due to a misunderstanding caused by something she said or did and she must apologize at once.
7. The **Rider** may change his mind at any time.
8. The **co-rider** cannot change her mind without the expressed written consent of the **Rider**.
9. The **Rider** can, at any time, be upset or angry.
10. The **co-rider** must remain calm and cool at all times.
11. The **Rider** must never let the **co-rider** know whether or not he wants her to be angry or upset.
12. When the **co-rider** has P.M.S. The **Rider** is hereby notified that she won't do anything right for several days.
13. The **co-rider** is expected to read minds at all times.
14. The **co-rider** must be ready for anything at any time.
15. Further, the **co-rider** understands that the **Rider** is ready when he is ready, not a moment before.
16. The **co-rider** understands that if she cannot abide by **The Rules** or take the heat, she will be categorized as a wimp.
17. If the **co-rider** is put into the wimp category, she must keep the bike clean at all times, and buy chrome as requested. (For a period of 30 days)

NOTE: You are put into the wimp category, if you break 3 or more of The Rules on any given ride.

The Co-Rider Rules

1. The **CO-RIDER** always makes T**HE RULES** and may change them at any time without notifying the Rider.

2. The **Co-Rider** is always right. The Rider must acknowledge his misunderstanding of any difference of opinion and apologize at once.

3. The **Rider** will assist with home duties as designated by the **Co-Rider** to ensure more leisure time to enjoy the ride.

4. It is the express responsibility of the **Rider** to provide ample space for whatever the **Co-Rider** wants to pack, including purchases made along the way. The **Rider** should pack his things conservatively in order to save space. At no time will the **Co-Rider** be accountable for the amount of clothes, shoes, and STUFF taken on the bike.

5. It is the **Rider's** responsibility to assure the comfort of the **Co-Rider** at all times, including but not limited to:

   a. **Rider** must provide perfect riding weather at all times. The **Rider** will never allow it to rain and is responsible to maintain a comfortable temperature as determined by the **Co-Rider**.

   b. **Rider** must ensure that all roads are smooth and free of debris, potholes, railroad crossings, etc.

   c. **Rider** will assist the **Co-Rider** with putting on their gear.

   d. **Rider** must not adjust the seat rest so far back that the **Co-Rider** is squashed between it and the trunk.

6. The **Rider** must be knowledgeable about all bathroom opportunities and is responsible to provide Potty Breaks as designated by the **Co-Rider**. The Rider **MUST** stop when **Co-Rider** requests same. A fine of $10.00 will be charged for each minute from time of **Co-Rider's** requested Potty Break until a suitable facility is located. The suitability of the bathroom is at the sole discretion of the **Co-Rider**.

7. It is the sole responsibility of the **Rider** to know how to get everywhere. When lost and wandering aimlessly, **Rider** agrees to stop and **ASK DIRECTIONS!**

8. Turning the volume control down or off for the on the helmet speakers is **NOT** an alternative communication option for the **Rider**. (The **Co-Rider** may do so when the **Rider** is being bullheaded or otherwise unbearable!)

9. **Rider** will cheerfully accept the fact that Craft fairs, art festivals, outlet malls, antique shops and so forth **WILL** be impromptu stops as designated by the **Co-Rider**. 10. Whatever has been forgotten, left behind or lost is the sole responsibility of the **Rider!!!**

11. The **Rider** understands that the Co-Rider is ready to ride when the **Co-Rider** says so – not a moment before!

12. The **Rider** must always be happy and never get upset, impatient or angry.

13. The **Rider** understands that if they cannot abide by **The Rules** they will be categorized as a wimp. When placed in the wimp category **Rider** must keep the house and bike clean at all times, prepare meals, do laundry and buy whatever the **Co-Rider** desires for a period of 90 days or more. The duration of Wimp Status is at the sole discretion of the **Co-Rider** dependent upon the severity of THE Rules infraction.

NOTE: THE RIDER IS PUT IN THE WHIMP CATEGORY WHEN THE CO-RIDER SAYS SO.

REGION A NEWSLETTER

Nan and I just returned from the Georgia District Convention/Rally in Duluth, GA and it was wonderful! It was held at the Marriott Hotel, which was a fantastic venue. The rooms were great and the rates very reasonable.

Their theme was "Clownin' Around" and it was obvious that Carlos, Dee and the whole Georgia District staff put their hearts into it. The décor looked professionally done and everyone was in costume.

They served a delicious pasta dinner on Thursday evening and held a clown competition afterwards. Nan and I along with Jim and Sue Jackson were judges. It was a genuinely unique event which was really fun. The work that the contestants went to in designing their costumes and the make up they applied was very impressive.

The talent show on Friday night was well done and they had real hand-scooped ice cream with toppings. Lots of vendors and a wide variety of good restaurants within walking distance of the Marriott made it all a real success!

Our congratulations to Carlos, Dee and the Georgia District staff for a wonderful time and a rally to be remembered.

Carlos and Dee Lozano stepped down as District Directors at closing ceremonies due to their personal work schedules which are very demanding. We want to extend our sincerest Thanks to Carlos and Dee for the hard work and dedication they exhibited as the District Director of Georgia during their tenure. They always had the best interests of the members of GWRRA in mind and did their very best to do what was right. We look forward to seeing them on the rally circuit in the future as they have assured us that they will not be going away. Thanks for a great ride, Carlos and Dee!

We appointed Tommy and Vicky Martin to take over as Georgia District Director. Tommy and Vicky were previously the Ride Educators for Georgia and have served in many capacities in GWRRA, including Assistant Chapter Director, Chapter Director, Senior Chapter Director and even a stint as a vendor on the rally circuit. We know that they will do a good job as District Director and look forward to working with them in the future.

The 2012 Convention/Rally site for the Georgia District will be in Dillard, GA in the mountains. Flyers are out and the delegates at closing ceremonies seemed enthused by the selection.

We realize that this is a long way off, but just to get the dates published so the Districts and staff members can get it in their calendars, the Region "A" Officers Meeting will be held at the LakePoint Lodge December 3rd and 4th, 2011. The format will be the same as in previous years. We'll have more details in the future.

By the time you read this, the Region "A" staff, as well as the members of our District staffs will be enroute to or at Wing Ding in Knoxville, TN. If you get this in time and are attending Wing Ding, please consider coming by the Ticket Sales and Poker Run tables and lending us a hand. It's fun work (not really work) and we'll reward you for a few hours work with a nice Wing Ding volunteer pin. If you arrive at Wing Ding early, please attend the International Couple Of The Year selection process on Tuesday the 5th and support our Region Couple Of The Year Ron & Becky Lees.

District Directors and District Membership Enhancement Coordinators; please do your best to redouble your efforts in the area of Recruitment and Retention. Both the April and May Growth Management Reports have shown continuing losses of members from Region "A". I know we've all been trying to reverse this, but so far it's not looking too promising. We are certainly open to any suggestions on this persistent topic and welcome any new ideas. Our membership base is what makes up GWRRA and its continued decline is something, as volunteer leaders that we must work to turn around.

We hope to see you at Wing Ding,

Bob & Nan

Florida District Newsletter

As you read this, hopefully you're like us and are preparing to attend Wing Ding 33 in Knoxville, TN! It seems like we were just mentioning it as being months away and now here it is! The International Couple of the Year Selection will be on

Tuesday, July 5th. If you're there on the 5th, please join us in cheering for our Region “A” Couple, Ron & Becky Lees from SC, during the selection process (1:30 - 3:30 PM). Wednesday will be a BIG day for Region “A”...for Florida...and more

specifically for FL1-L2! Wesley Chapel will be officially introduced as the 2010 International Chapter of the Year at Opening Ceremonies (8 - 9 AM) and receive a plaque and all the honors that go with that recognition! FL1-H, Daytona, the 2009

International Chapter of the Year will be there to "pass the baton" so to speak. We are proud of both Chapters. One last thing about Wing Ding, if you are attending, please be sure to look us up. Region A has Ticket Sales and Poker Run again this year. Florida is to help GA & SC with Ticket Sales and Poker Run on Thursday & Friday. If you can spare 2 hours, you'll get a really cool Wing Ding Volunteer Badge to add to your vest and an invitation to an ice cream social just for volunteers! We have already heard from several folks and we appreciate you volunteering to help. We do need more volunteers as it takes 6 folks per 2 hour shift. Thanks!

We have just returned from the GA District event in Duluth. Carlos & Dee, along with their Team, put on a great event. We got to "Clown Around" with many of our friends. This event was the Lozono's last event as DD's and it was the best! Congratulations and welcome to Tommy & Vicky Martin, the newly appointed DD's for GA! We know they are going to continue the tradition of having FUN and we told them that FL and MS would help them out whenever necessary. Right, Bobby?

Once Wing Ding is completed, summer riding season will be in full swing. July and August are sure to be hot and here in Florida, we usually get those afternoon showers. Prepare for the heat and those afternoon thunder storms or whatever Mother Nature throws at us when planning for the ride! Being prepared when we head out on the road helps to ensure the GWRRA motto of Friends for FUN...Safety and Knowledge!

Region A's Rally/Convention arrives in September. If you haven't attended this event in Eufaula, AL, you have missed a great venue and some FUN riding areas. The Host location has a waiting list but there are two other motels nearby that folks say are good. Hope to see you there!

Speaking of great Rallies/Conventions, the Florida District Rally will be coming up next March 22 - 24. It will be at the same location as this year; however, there has been a change in ownership. Formerly the Radisson WorldGate Resort, the name is now WorldGate Resort. Feel free to make your reservations for the 2012 FL District Rally! The flyer/shirt contest has ended and the winner is Terri Kozlowski from GA-D. She will receive 2 registrations and 2 polo shirts with her winning design on them! Thanks to each of you who took the time to submit your creative designs for our review. We had over 20 folks review the designs and give us their recommendation. Terri's design came out on top. Congratulations Terri! The flyer is included in this edition of our newsletter and will be posted on the District website in a color copy version and a grayscale version.

Also, Sun Sports Cycle & Watercraft, Inc. of Ft. Myers, FL, along with the Florida District, has agreed to be the Sponsor of the Gold Wing Raffle Grand Prize give away. Sun Sports has also agreed to supply the FL District 2 sets of tires to be given away at our Rally in March. Sun Sports is in the process of supplying us with an ad to place in our newsletters. Just as soon as we receive it, please be prompt in adding this to your newsletters. This is part of our agreement with them being the Sponsor of the Gold Wing Raffle.

Check out your sister Chapters around the area to see what kind of FUN they are having and visit them. Remember the Chapter Visitation contest is in full swing. Getting Bonus Points from a Chapter could be a

good excuse for an over-niter! Also, GWRRA has their Passport Program in full swing as well. So, let's get out and ride and above all "have FUN!"

See ya soon!
