VACANT

A Thought from our Chapter Directors

We have all been waiting for the riding season. It is finally here with the cooler weather in tow.

Many of our northern friends are already back and ready to resume participation. We are glad to have you back with us!!!!!!!!!!!!

There is only 2 months left in 2010 but with the holidays approaching...we will fill the calendar.

Everyone seems to love our busy December schedule with all of our "lighted" bike events. We will be doing some of our usual rides and also add a couple of new things like the lighted boat parade and displaying our bikes at John's Pass. If you have any new ideas, please share them and the team will consider them.

Our December calendar is still a work in progress.

We have captured the Region A Wanderer again as well as the District Wanderer. You never know where these light blue shirts are going to show up.

We appreciate all your support in these rides and captures.

Our bowling event was a success. We made \$1006 which Chapter M will donate to the Ride For Kids. The total donation will be around \$2500.

It is your hard work and dedication that has made this possible.

We need suggestions for the 2011 Couple of the Year. Please write them on paper or email them to us or Buzz/Betty. We want your input.

They will be announced at the Christmas Party.

We are proud to be an "M".

Tracy and Sharon

RIDER EDUCATION

Police Stop, Now What Do I Do?

I know that none of us would ever do anything while riding our bikes that would cause a police officer to pull us over. But what if the police officer pulls you over for a burned out light bulb or similar issue, what should you do when you are stopped? There are several things that are clear cut and others that are not.

It is imperative that you find a safe spot to pull off the highway. Be sure to signal and slow down to let the officer know that you are not attempting to flee. Just because an area may be safe for a 4-wheeled vehicle does not make it safe for us. There may be a significant drop off to the shoulder and this could cause us to crash. Another hazard may be debris or the shoulder that could create an unsafe condition. We don't have a lot of steep drop-offs in FL, but in many other states the shoulders will slope severely from the traffic lane and it may create a hazard in stopping, especially those with shorter legs.

If you are asked if you are carrying a weapon in your vehicle, you want the information to be given freely to the Officer before he inadvertently finds it and takes unnecessary actions. If your weapon is carried in a compartment that you must open to obtain your driver's information it would be advisable to report this to the officer prior to opening. If you are carrying the concealed weapon on your body it should be reported (but not required by Florida state law) and if requested by the officer you will need to provide your concealed weapons permit.

Do not get off of your bike and start rummaging through your saddlebags, trunk, or even a storage bag. The police officer does not know what you are doing and may assume that you are searching for a weapon. Stay on your bike and turn the ignition off, this will indicate that you are not going to attempt to run away. Some officers prefer that you put the bike on the kickstand and others prefer that you balance the bike. While you are balancing the bike it is difficult to get into a position where you could attack the officer. When the bike is on the side stand it is difficult to make a getaway.

Do not remove your helmet as this could be used as a weapon. The officer's prefer that the helmet remains on. You may need to remove it at some point, but make sure that the officer knows the reason that mandates that you remove it.

Be sure and inform the Officer that you need to access a compartment to show your driver's license, owner's card, etc. This allows the officer to know what you are searching for and the location. They will position themselves so that they can maintain visual of you and also see within the compartment to ensure you are not reaching for a weapon.

If the Officer asks you to dismount the motorcycle they may request that you get off on the right side. This is not normal for us, but they might request this to prevent you from being injured by traffic.

The optimum from this is to not be pull over, but if you are be prepared and NOT confrontational.

Ron & Kathy Jackson
Senior Chapter Educators.

ASST. CHAPTER DIRECTORS—BUZZ AND BETTY PROBUS

From Your ACD's

The Chapter training on Saturday, October 2 was well attended . Whether it was the member's first time or a refresher it was very informative and I urge all who missed it to watch for the next available session. Rick and Madelena Buck are excellent instructors and Chapter M thanks them!

Barney's Honda and Quaker Steak Restaurant have been very good recruiting sources and venues for Rider Ed ticket sales. We want to thank all our members for their enthusiastic participation!

The Inverness Rexall Drug Store Restaurant ride was a real treat especially to the members that were unable to attend the previous ride. Of course the good weather was a bonus!

The Annual Bowling For the Pediatric Brain Tumor Foundation was once again successful for FL1M and a hearty "Thanks" goes to all who volunteered and to all the members from other chapters that attended! It all goes to the kids!

Our northern members are streaming in and you will see our rides and rally numbers increase. Keep your eye on the calendar and be ready to ride!

Buzz and Betty

MEMBERSHIP ENHANCEMENT

New GWRRA Benefit

Medical Information Card- The NHTSA projects more than 100,000 motorcycle injuries this year. Even with statewide motorcycle safety campaigns, like GWRRA's Motorist Awareness Program, to help automobile drivers be more aware of motorcyclists, fatalities are increasing.

Are you prepared for an unanticipated medical emergency

Critical decisions are made in the first few minutes of your emergency care. If you are unconscious or incapacitated, first responders have no knowledge of your existing medical conditions, current medications or other important details which could save your life in a medical emergency.

Paramedics are trained to search your wallet for information. miCARD is the only physician-designed medical identification card that gives medical personnel immediate access to your current medical conditions, current medications, allergies and more.

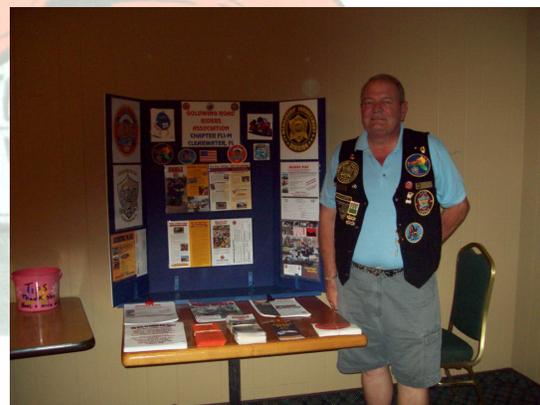

Whether on the road or off, carrying medical information can save your life. With miCARD, your medical information goes wherever you go.

GWRRA Members receive 10% off the \$14.95 annual price (\$13.45). (Simply enter the promotional code "GWRRA" to receive your discount.) The sign-up process takes less than 10 minutes and you will receive your co-branded GWRRA miCARD in three weeks.

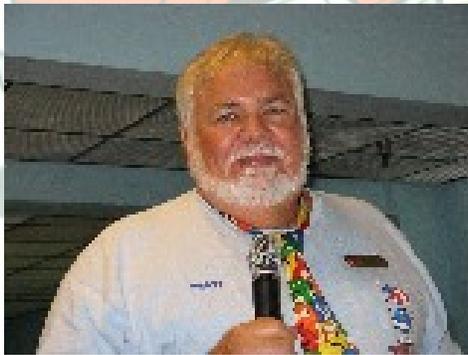

To sign up for this go to the Benefits section of the GWRRA site.

- ◆ Dec 27 Team Meet Park Royale 7pm
- ◆ Dec 29 Recruit Quaker Steak 5pm
- ◆ Dec 30 Kick Tire Chili's Parkside Mall

REGION A NEWS

What a great month October turned out to be! Nan and I attended the Mississippi District Convention in Tupelo, MS the 14th-16th and had a fantastic time. This was Gregg and Pat Harbison's last convention as the MS District Directors. They hosted a wonderful event. The venue (the Bancorp South Arena) was perfect, with room for all the activities along with both inside and outside vendor areas.

There was a Hamburger and Hot Dog dinner served at Honda of Tupelo followed by a police-escorted lighted night parade through the streets of Tupelo ending at the host hotel. Some 87 bikes (along with Nan and I) participated. It was quite a sight and great fun.

They had a good trade show with some 35 vendors in attendance with a wide variety of goodies. We spent our share on necessary stuff and some TJ pin striping for our trailer.

As we mentioned, Gregg and Pat Harbison announced that they would be stepping down as MS District Director in October or early November (after all financial issues concerning the convention were concluded). Gregg and Pat are Life Members of GWRRA who have served in some capacity on the Mississippi District staff for many years. They have been hard workers and real supporters of GWRRA, the kind of volunteer leaders who make the Association work. Nan and I presented the Harbison's with a plaque from Region "A" in appreciation of their contributions to the success of GWRRA. We wish them the best in their future endeavors and look forward to seeing them on the rally circuit.

We have appointed as the new Mississippi Directors, Bobby and Lori Bryant who served on the Harbison's staff as the Leadership Trainers. Bobby and Lori have a great stage presence and are very personable folks. They will do a great job as Mississippi District Director and we look forward to working with them in the future. Bobby and Lori have served as Mississippi Couple of the Year and have extensive experience in Leadership Training.

Please remember that our Region "A" Officer's Meeting will be held in Eufaula, AL at the Lakepoint Lodge December 4th and a half day on the 5th. The second phase of Officer Certification (OCP II) will be presented by the National Director of Leadership Training, David Orr. OCP II is for District and Regional staffs. There will be valuable instruction on IRS tax compliance issues and on budgeting issues so please plan on having your District staffs (including Treasurers) attend this training. We'll begin on Saturday the 4th with Region "A" presentations followed by a status report from each District Director. On Saturday afternoon after lunch, David Orr will present OCP II and answer any questions or address concerns. Sunday morning (the 5th) will be spent addressing any unaddressed questions from OCP II and breakout sessions for Rider Education, Leadership Training, Membership Enhancement and Treasurers. We will wrap up by noon on Sunday, but Nan and I will be available after that for any individual meetings that you might want.

In January, the Districts of Region "A" will hold their own officer meetings and members of the Region staff will attend each one for support as needed and for any guidance concerning any issue that requires it. A decision as to which Regional staff members attend which meeting will be finalized by December 5th and will be announced at the Region "A" officer's meeting.

We look forward to seeing you at a GWRRA event soon,

Bob & Nan

FLORIDA DISTRICT NEWSLETTER

It never ceases to amaze us how quickly each month seems to move along. We talk about the upcoming events and before we know it, it's here and gone! This can only be happening because all of us must be having FUN! Yes, that has got to be the reason! We have attended Chapter Gatherings, yearly events and District Rallies/Conventions and

everyone in Florida appears to be following Rule #1. North to South & coast to coast, Gold Wings are getting together and having FUN!

November promises to be a continuation of FUN with the weather providing a change that most of us will like.

There are several events throughout the District, such as the Green Frog Get Away, FL1-D/Pensacola and FL1'G's Hanky-Panky Poker Run (support for the Pancreatic Cancer Foundation) in Orange City on the 6th and the Tampa Bay Area Ride for Kids on the 7th. Wesley Chapel's Country Fair and Poker Run on the 13th (lucky day for me and the "love of my life" - our 17th wedding anniversary!) and on the 20th is the Multi-Chapter Spaghetti Social in Jacksonville. Just before we kick off our November events, don't forget to put on your calendar, Oct. 30th. FL1-H2, Orlando, will host a Howl-O-Ween Harvest Picnic in Christmas Florida...another FUN event for you to participate in! Be sure to attend these FUN events if you can. Many hours of preparation goes into putting on these events and your fellow riders appreciate you being there to support their event and to have FUN. Remember, good weather or bad, you can still have FUN!

The holiday season also begins this month and the fact we can ride our motorcycles during this period is even more to be thankful for. So get out and ride. December will be filled with FUN events such as FL1-S, Zephyrhills' Mingle and Jingle. This event is usually one of the last Chapter events of the year. They always put on a great time. Your presence is appreciated. You won't be disappointed!

January will usher in our yearly Chapter Conference (January 8-9) and will be held at the Radisson WorldGate in Kissimmee. Remember this conference is an approved Chapter expense and provides the Chapter Officers and other interested folks with the information needed to carry out their duties within the Chapters. Also, for the first time, the OCP recertification will be provided at this conference. After the Chapter Conference, more great events, such as FL2-L's Mardi Gras Rally and FL1-H's Multi-Chapter Breakfast are on the agenda.

See how fast the time goes? We are now up to FL1-H, Daytona Beach's Bike Week Get-A-Way and then, of course, the world famous Florida District "Gather of the Wings" Rally/Convention. This year's theme "Old Time Rendezvous" is from the period in our history of 1825-1840 when the rugged, wild, and FUN loving folks would get together for visiting and socializing after a long hard winter. Doesn't this sound like Gold Wings? Only, we don't really have "long hard" winters in Florida! Check out this era of our country's history and come prepared to have a rip, roaring time!

In recent times several of our Florida families have had some rough situations - surgeries, accidents, and some of our "family" members have passed away. To each family that has had or is going through a difficult period of time, our thoughts and prayers go out to you. We will miss our friends whose Golden Wings are no longer with us.

In closing, remember when all is said and done, GWRRA is supposed to be about Friends for FUN, Safety, and Knowledge. So...go out! Have FUN! Ride SAFE and maybe we'll learn something in the process!

See ya soon!

Bill and Gina Berry

Florida District Director

All CHAPTER M RIDES LEAVE FROM

McDonald's at 7901 Ulmerton Rd, Largo, FL -33771-4012

PLEASE HAVE A FULL TANK OF GAS

If you have changes in your address, telephone home/cell phone numbers or e-mail address send them to dunbo@tampabay.rr.com or call Sharon or Tracy Dunn at 727-544-2961. We would like to keep our records up to date.
