In Memory of John Knof

On 10/29/18 FL1-M lost a wonderful friend. John and his wife Rose joined M in 1984. A Life GWRRA member, he served as the first State Educator and was an MSF Instructor. John taught RE classes at Wing Ding and rallies all over the US. He and Rose were FL1-M's Assistant Area/Area Reps from 1983-1991, and he was M's Educator for many years. John loved riding, teaching, rallies and GW. He enriched our lives with humor and exemplified Friends for Fun, Safety and Knowledge. To say he will be missed is an understatement.
