All shirts are pre shrunk, but will shrink a bit more over time. **Please be certain of your size before you order.** Chapter "M" takes a financial loss when the items that are ordered are not purchased. We have some inventory regarding sizes, but if a sample is not available, we will try to get a sample size from our vendor for you to try on. There is a **\$1.00 charge per shirt** for your name to be printed. If the name is imprinted on an item, these items CANNOT be returned or exchanged. The imprinted name is not required, but may be helpful for others to remember your name.

Orders will be placed when we have sufficient numbers to make an order with our vendor. Please don't wait, submit your order as soon as you want a FL1-M goodie item. Payment is due upon delivery.

We will send out a last call email 1 week prior to placing our order with the vendor. We will keep the chapter informed on how the order is progressing before and after the order is placed. **You may cancel or change your order PRIOR to the placement of the order.** If any questions, please call or see Mary Ann Claypool.
